

The image consists of a large grid of black letter 'T's on a white background. The grid is organized into 10 horizontal rows and 10 vertical columns. Each cell in the grid contains a single black 'T'. To the right of this main grid, there is a vertical column of 10 black 'R' characters, positioned such that it aligns with the right edge of the grid.

The image consists of two distinct vertical columns of large, bold, black letters. The left column contains the letter 'R' repeated 20 times in a 4x5 grid. The right column contains the letter 'U' repeated 20 times in a 4x5 grid. The letters are rendered in a clean, sans-serif font.

The image is a solid black rectangle. It features a repeating pattern of the uppercase letter 'M' in white. The 'M's are arranged in a grid-like fashion, covering the entire area. Each 'M' is oriented vertically, with its top bar pointing upwards and its two lower bars forming a V-shape below it.
