

A dense, colorful word cloud where every word is "DRM". The words are arranged in a grid-like pattern, overlapping each other. The colors of the text vary in a repeating sequence of red, orange, yellow, green, blue, purple, pink, and teal. The font size of each word is also slightly different, creating a dynamic visual effect.

The image consists of a dense, overlapping cluster of the word "DRM" in various colors including red, green, blue, yellow, orange, and purple. The words are of different sizes and are arranged in a non-linear, scattered pattern across the page, creating a visual representation of the acronym's prevalence or complexity.
