

**S** *L* **2** **A** **Y**

A decorative calligraphic flourish in black ink on a white background. The central text consists of a large, bold, black 'S' with a white outline, followed by a smaller, italicized 'L', a bold '2', a bold 'A', and a bold 'Y'. The 'S' is the largest and most prominent character. The 'L', '2', 'A', and 'Y' are smaller and more compact. The entire text is flanked by elaborate, symmetrical flourishes of thin black lines that curve and swirl, resembling stylized leaves or scrolls. The overall style is reminiscent of 18th or 19th-century decorative typography.
